

DDH-1 & JR-1

DDH-1 & JR-1

These compact, versatile drink holders offer boaters the convenience and flexibility of suction cup mounting, no need to drill holes in the boat and easily movable. We've also included a free 4 oz. spray bottle that when filled with glass cleaner is ideal for cleaning spray from polarized lenses, perfect for sight fishing and better overall visibility. Fits insulated drinks.

SB-2

This double drink holder was designed by request from boaters that wanted a place to put a cell phone and sunglasses or things like keys, lures, hooks, etc. but also remain suction cup mounted. The SB-2 holds two (2) drinks in "Coozie" type insulators. The center storage box measures approximately 3 x 3-1/2 x 2-1/2 deep.

SMDH

This double drink holder was designed with versatility in mind. The SMDH holds two (2) drinks in "Coozie" type insulators, also fits many types and sizes of bottled water containers, and even fits most binoculars. It is pre-drilled on the back and bottom for four (4) large suction cups (included) or may be permanently attached if desired.

SSDH

Horizontal or vertical surface, screw mount or suction cup mount, the SSDH is pre-drilled on the back and bottom for three (3) suction cups (included) and is ideal for applications where a single drink holder is needed. Fits insulated drinks.

DH-2

The DH-2 is a popular item due to its versatility, it holds 2 drinks or may be used to store those items you need access to like sun screen, keys, tackle, etc. Marine-grade polymer construction, suction cup mounted. Lifetime warranty

SC-1

The SC-1 is designed to screw mount from the back for a clean, no mounting screw showing installation. Complete with polymer bracket, molded cup, and stainless steel mounting screws.

MB-1 & MB-2

These heavy duty drink holders both feature a storage box with enough room to put things like sunglasses, keys, lures, sun screen, etc. The MB-1 has a reversible top to fit on port or starboard sides and fits most any drink including handled mugs. They are both pre-drilled for 4 suction cups (included) and may be screw mounted as well. Lifetime warranty
